Encourage colleagues to pursue a Fulbright grant	
Encourage students to pursue a Fulbright grant	

Please provide details about these or other tangible outcomes of your Fulbright experiences that you believe are most significant.

During the course of a typical year at your home institution, how many students do you reach in a professional capacity (through teaching, advising, collaborating, consulting, etc.)?

During the course of a typical year at your home institution, how many colleagues do you reach in a professional capacity (through teaching, advising, collaborating, consulting, etc.)?

During the course of a typical year at your home institution, how many clients do you reach in a professional capacity (through teaching, advising, collaborating, consulting, etc.)?

During the course of a typical year at your home institution, how many community members do you reach in a professional capacity (through teaching, advising, collaborating, consulting, etc.)?

### Insight for Future Grantees

Please provide any information on the aspects of local culture that could help future Fulbright grantees working in your host country or institution(s).

Please provide any recommendations related to logistics (e.g., travel, money, housing) that could help future Fulbright grantees working in your host country or institution(s).

Please provide any information on web sites or other resources you found helpful that could help future Fulbright grantees working in your host country or institution(s).

### Final Reflections

To what extent do you think your Fulbright experience helped to...

promote international cooperation for educational and cultural advancement?	
strengthen ties between people of the United States and people of other countries?	

Overall, how would you rate your experience as a Fulbright Scholar?

Reflect on your Fulbright experience and whether you feel it has played or will play a transformative role in your life, either professionally or personally. Please explain, commenting on the elements of your experience that have made the most compelling impact on you (and/or your family).

IIE/CIES is often asked for scholar stories that illustrate how the Fulbright Scholar Program works and what participants accomplish during or as a result of their grants. Do you grant permission for IIE/CIES to provide your name when discussing your example?

Are you willing to serve as a contact for information about your host country for potential or future grantees?
