

## CERTIFICATION OF MEDICAL INSURANCE FOR REQUESTED PERIOD OF EXTENSION OR TRANSFER

Please refer to the [Guide for Fulbright Visiting Scholars](#) for general information about extension and transfer requests and additional documentation you will be required to submit. This document must accompany your request for an extension of your Fulbright grant period or your request for a transfer of sponsorship to your U.S. host institution.

Exchange Visitor (J) nonimmigrant visa regulations require the following health insurance benefits be met at all times:

- (1) Major medical benefits of \$100,000 per accident or illness,
- (2) Repatriation of remains at \$25,000,
- (3) Medical evacuation benefits to home country of at least \$50,000, and
- (4) A deductible not to exceed \$500.

For requests related to the **extension** of your Fulbright grant, not exceeding 12 months (check the applicable box):

- If my request for an extension of my Fulbright grant is approved, I certify that I will
- ☐ purchase health insurance for my dependents for the full length of the extended period in the United States. Further, I certify that the health insurance policy purchased for dependents meets the basic requirements listed above.
- or
- ☐ I will not have accompanying dependents during the period of the extension.

For requests related to the **transfer** of J-1 visa sponsorship (check the applicable box):

- If my request for a transfer of sponsorship from the Fulbright Program is approved, I
- ☐ certify that I will purchase health insurance for myself and my dependents for the full length of the period of transfer. Further, I certify that the health insurance policy purchased for myself and my dependents meets the basic requirements listed above.
- or
- If my request for a transfer of sponsorship from the Fulbright program is approved, I
- ☐ certify that I will purchase health insurance for myself for the full length of the transfer. Further, I certify that the health insurance policy purchased for myself meets the basic requirements listed above.
