Fulbright Visiting Scholar Program
Program Verification Form

Instructions to Fulbrighter: This form is to be completed and signed by the Faculty Associate of record for your Fulbright Visiting Scholar Exchange at the very beginning of your exchange program. Make sure to upload the completed, signed form to IIE's self-service portal (https://portal.iie.org) within 10 days of your program start date along with your other arrival documentation as outlined in the Fulbright Visiting Scholar Guide.*

Fulbright Scholar Information

Fulbrighter's Full Name:

Home Country:

Institutional Program Verification

By my signature* below, I confirm the following:

- The Fulbright Visiting Scholar named above has arrived at my institution as outlined below and begun their full-time, in-person engagement in their planned research and/or teaching.
- I have met with the scholar and will be able to check in periodically with the visiting scholar in person for the duration of their Fulbright exchange program.
- Their planned exchange program dates are in line with the official letter of invitation most recently provided by my institution in support of their exchange program.
