

## 2019-2020 Fulbright Sponsored Scholar Awards – Ireland

---

All applicants will be considered for the Fulbright General Scholar Award category which is open to all fields of study. If you would also like to be considered for any of the Sponsored Awards, please refer to <http://www.fulbright.ie/fulbright-irish-scholar-awards> for information on the awards available this year. Name your chosen award below and explain the reasons for your choice in the textbox. You should then upload this document in the Supplemental Forms section of your application. Ensure that your hard copy application also includes a copy of the form.

*Dual-sponsorships may be considered at a later date. For more information contact [awards@fulbright.ie](mailto:awards@fulbright.ie)*

**Please state the Sponsored Award of interest:** \_\_\_\_\_

*Describe how your proposed project aligns with a particular sponsored award and address specific criteria as listed on the respective sponsored scholarship pages of the website, articulate how your proposal will bring specific benefits to your particular field of research and how this will benefit your research on your return to Ireland. (200-300 words)*
